United States District Court  
Southern District of New York

Re: United States v. Coleson et al.,  
07 Cr. 789 (RJH)

Dear Judge Holwell:

Your Deputy informed me today that the status conference for the above-captioned matter, originally scheduled for May 16, 2008, at noon, had been rescheduled to May 21, 2008, at noon. I have spoken with or left messages with defense counsel for each of the defendants informing them of the new date and time.

The Government respectfully requests that the Court exclude time from today until May 21, 2008, pursuant to the Speedy Trial Act, Title 18, United States Code, Section 3161(h)(8)(A). The ends of justice served by the continuance outweigh the interest of the public and the defendants in a speedy trial because the continuance will enable the parties to continue their discussions about a possible disposition of the case.

*Application Granted. Time  
is included under the STA  
in the interests of justice for  
the reasons stated above*

Respectfully submitted,  
MICHAEL J. GARCIA  
United States Attorney
